MEMBERSHIP: AN INVESTMENT IN YOUR ORGANIZATION

Membership is the gateway to The Nonprofit Center and its broad range of services. It was created as an advantage to nonprofit professionals and organizations by offering maximum access to services and resources at the best prices. Because nonprofits differ, we offer different membership packages, including two organizational levels and an individual level.

BENEFITS OF MEMBERSHIP: Why Join The Nonprofit Center?

- discounts
- access
- free stuff (like full-day classes and a \$3,500 Management Assessment Process or Board of Directors leadership advancement program)

When an organization joins, every staff member, board member and volunteer can take advantage of the benefits, giving access to services that fulfill your organization's best practices and capacity-building needs.

As you explore the list of benefits below, you will see the MemberPlus level includes a choice between our Management Assessment Process or our signature "Best Practices in Board Governance" on-site presentation for your board of directors, to ensure that all are well versed in the optimal execution of their roles and responsibilities as board members.
