New Member Benefit: Expert Connections

Both Basic and MemberPlus members are entitled to a discounted rate for Expert Connections, our new and timely way to get access to expert assistance from a nonprofit consultant.

We created Expert Connections for all those times you wished you could call a nonprofit expert who could answer your questions and give timely advice in a specific area of management, governance and operations.

This support package connects you to a consultant via phone or email through a simple and inexpensive add-on to your organization's membership. It provides you with year-long access to an expert to address questions that require in-depth nonprofit knowledge. You get five hours of expert advice at a discounted cost of \$275, to use in 30-minute increments. Affordable access, usually within 48 hours, to a professional who can answer questions about board policies and practices, how to handle a troublesome board member, clarifying temporarily restricted vs. permanently restricted funds, best approaches to budget development, dealing with a problem employee, the best way to develop a budget, what you need to know before starting a corporate sponsorship program, and so many more, based on the individual needs of organizations.
