A partnership between Bucks County Community College and The Nonprofit Center at La Salle University's School of Business now enables Bucks County residents interested in the nonprofit sector to complete the Excellence in Nonprofit Management Series or choose among 10 of the most essential classes for current and future nonprofit leaders. Students who finish this non-credit series will complete the Excellence in Nonprofit Management Series from La Salle's Nonprofit Center and Bucks County Community College, a resume-worthy achievement for any nonprofit professional.

Whether you are already employed in the nonprofit sector, a board member, or someone committed to serving in the sector, these classes will increase your knowledge, skills and understanding.
